January 2026 - Library Visits

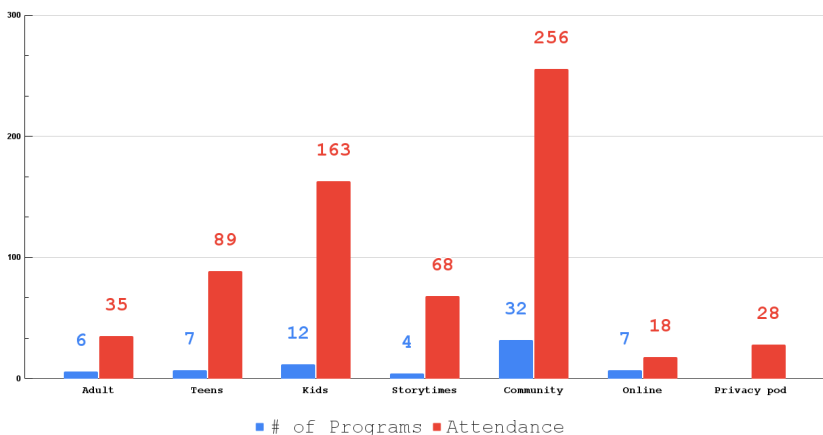

The Bike-Walk Alliance of New Hampshire presented a course on Cyclist Education and Road Safety Protocols, facilitating the essential discussion of how cyclists and drivers can safely share the roads in our community. Valley Vision recorded the presentation to ensure that the message reaches the largest audience possible.

Tessa has started a new book group called Meet Me in the Middle for kids and their caregivers to participate in together. The group reads middle grade books from a monthly selection, then comes together for fun themed activities, discussion, and snacks inspired by the books.

January 2026 Programs

68 Programs with 657 attendees

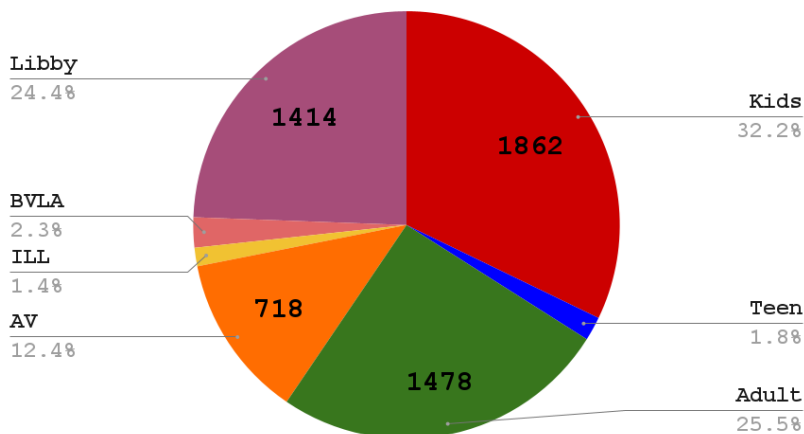

Knitters have taken over the library! This winter we have four different knitting groups that have chosen the Library as their community meeting place. The Friends of the Library are sponsoring a Winter Learn to Knit multipart series for those new to the craft, and seasoned knitters from the WMV Knitting Guild, Spinning Wheel Guild, and Knitting with Friends bring raucous fun to our community room every week.

The Conway Public Library hosted the NH Odyssey of the Mind Spontaneous training day for the third year in a row. Dozens of OMers gathered to practice their creative problem solving skills and develop their teamwork in preparation for the state tournament in April.

A Moose with a Uke visited the Conway Public Library on Take Your Child to the Library Day for a Valentine's Day celebration featuring Aaron Risi, the creator of Monty the Moose.

January 2026 - Circulation: 5790 items

Respectfully submitted,

Jefferson M. Beavers
Library Director
