

# Director Report March 12<sup>th</sup>, 2025

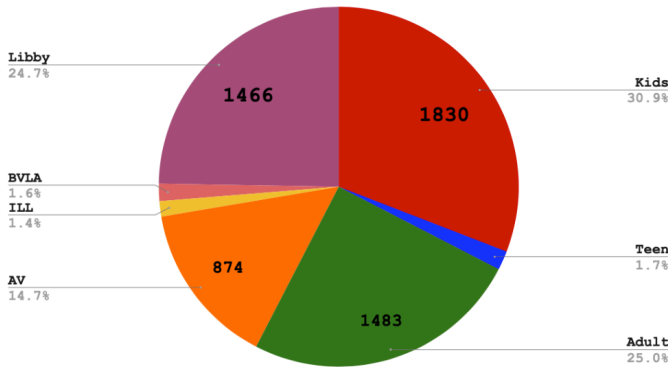

☎ 603.447.5552 | 🌐 [ConwayPublicLibrary.org](http://ConwayPublicLibrary.org)

15 GREENWOOD AVENUE | CONWAY, NH 03818

## February 2025 - 5337 Library Visits

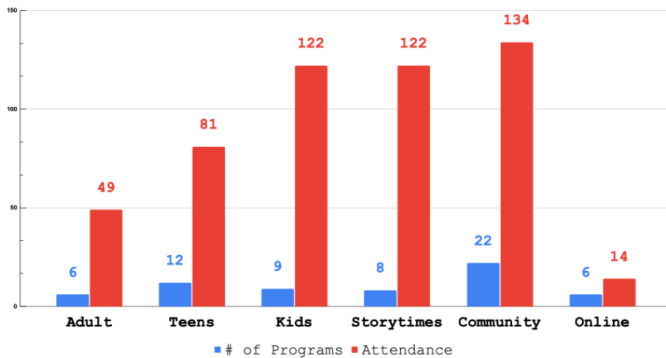

## February 2025 - Circulation: 5928 items

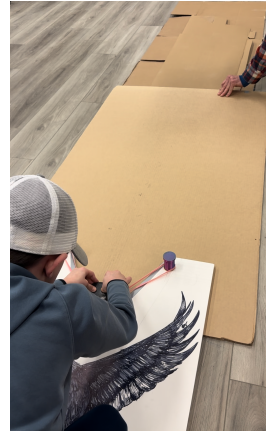

## February 2025 Programs

63 Programs with 522 attendees

Our MWV STEM Expo Camp was held over February vacation week in coordination with the Mt Washington Observatory and Tin Mountain. Participating students learned about the scientific method and engineering design process before creating and testing their own hypotheses. Jeff and Drea will be attending the MWV STEM Expo on March 19th to see the campers present the results of their experiments.

Library staff completed a CPR/AED training at their February staff meeting. Following the training, the Library has added infant sized CPR masks to the emergency supplies in the Children’s Room and has purchased two anti-choking devices to be stored at the service desks.

Amy DuFault organized a Blind Date with a Book fundraiser for Odyssey of the Mind during the week of Valentine’s Day. Library patrons were able to purchase a wrapped book with a “dating ad” written on the outside, along with a bookmark and sweet treat donated by Zeb’s.

We have finally updated our public access catalogue tablet with a larger all-in-one touch screen computer. This will greatly improve the browsing experience of patrons accessing our collection.

Drea and Jeff starred as guest readers at Mountainside Intermediate School for Community Reads Day.

Kathy has been seeing an increased number of requests for notary services this past month. She has also helped four people complete their UK ETAs required for travel, which goes above and beyond any normal notary or library service we typically provide.

The Friends of the Conway Public Library will be holding a bowling fundraiser at Saco Valley Sports Center on Friday, March 14th from 4-8pm. All proceeds from the fundraiser will go towards the Library Park Project.

Respectfully submitted,

Jefferson M. Beavers  
Library Director
