The Conway Town and School annual Deliberative Sessions will be held on March 1 and 3, respectively, at Kennett High School, 409 Eagles Way, North Conway, in the Peter Ames Gymnasium, beginning at 7 pm each evening.

Voters are asked to wear a face covering and arrive early enough to check in with the Supervisors of the Checklist, and to find a socially distanced seat in the bleachers, or among the folding chairs on the gym floor. Event organizers are aware that the gym is a less desirable location for the meetings; the overriding concern is providing enough space to socially distance.

The cafeteria will be set up to be available as overflow masked-voter seating, in case turn out is significantly greater than it has been in recent years.

Voters who wish to speak will be asked to approach a stationary microphone, so if you anticipate the need to speak, please choose a seat near the microphone.

Voters who are unable or unwilling to wear a mask should enter the high school through the cafeteria entrance (the same entrance unmasked voters used at the November 2020 election), and will be directed to the auditorium, where seating will also be socially distanced. The proceedings in the gym will be displayed on a screen in the auditorium using the KHS YouTube channel. Unmasked voters will have the ability to speak, remotely, to the voters in gym.

Valley Vision and KHS are coordinating technology to make the process as transparent as possible.

The April 13 Town and School election will also be held in the KHS gym, with the same set up that was used at the November 2020 election.

Further updates regarding the Deliberative Sessions will be posted on the Town website at www.conwaynh.org and on the SAU 9 website at www.sau9.org

Valley Vision will be streaming the March 1 and 3 Deliberative Sessions live via the Town of Conway Facebook page. The Sessions may also be viewed in real time via the KHS YouTube channel. The KHS Stream YouTube Channel is at: <https://www.youtube.com/channel/UCkMGUwgJzfmvTj7I3fz5dBw>

The April 13 Town and School election will also be held in the KHS gym, with the same set up that was used at the November 2020 election.
